Come and hear from the preachers whose letter on conversion therapy made headlines across the UK

Banning the Gospel?

Revd Dr Matthew Roberts (Trinity Church York) and **Revd Dr Ian Paul** (St Nic's Nottingham) helped pen a letter, signed by 2,500 ministers and pastoral workers, asking

Westminster to rethink plans for a conversion therapy ban. At this **one hour** Zoom webinar, Matthew and Ian will talk about why they and their colleagues believed it was

vital to make their voices heard, and the considerable media interest that followed. The time includes around 20 minutes for questions. Also speaking will be The Christian Institute's

Simon Calvert who will explain how governments across the UK are responding to calls for a conversion therapy ban. Both webinars will be live, but the content will be the same in each.
